

I had the privilege to attend the Annual Conference on May 20, 2010 through May 23, 2010. I attended along with Vanessa Vargas, CCLS and my son Cesar Arevalo, Jr. who was invited to serve as a Page.

Vanessa and I were able to attend several workshops on Friday. I attended the President's Roundtable which was presented by Mary Rocca, CCLS. I met with Presidents of the many local associations. We all had a common goal, increase membership and we were filled with hopes to have a successful year ahead. That same night we attended the reception and were able to re-introduce ourselves to many of the attendees. Some of the faces I had seen before and some were new and I was delighted to meet all the new members. I also attended the Governor's luncheon and there they introduced the Executive Committee and we reviewed the proposed budget and one of the main topics were in what direction do the governors want LSI to go into the future.

On, Saturday May 22, 2010 I sat through the Pre-Governor's meeting right before the Governor's meeting briefly. Our delegates Kay Newsome and Vanessa Vargas, CCLS joined me for the Governor's meeting which started promptly at 9:30 a.m.

At the Governor's meeting we heard several officers and chairs present their annual reports. We voted to approve the Proposed Budget which was presented by Mary Beaudrow, CCLS and the new slate of candidates were presented for the 2010/2011 fiscal year.
