

President's Message

It's true! There is a lot of detail involved in the SFLPA President's job – by the time one becomes expert at keeping all the balls in the air, one has to hand-off to someone else. I really want to thank the Board members for encouragement and practical advice. Being President is "a good thing."

I attended Legal Secretaries Inc.'s Quarterly Conference on August 17-19 hosted by butte County. Any member of Legal Secretaries Inc. can attend and experience meeting members from all over California. The next opportunity is the Fall Regional Seminar on October 13th in Rocklin. Legal Secretaries, Inc.'s Second Quarterly Conference is November 9 – 11 hosted by the Grass Valley association. Registration and information forms are in this issue. Information is also available at www.lsi.org ("Events"). I hope you'll go.

Brenda Fuller, Vice President of SFLPA, is amazing!@ She has enthusiastically recruited more than 10 new members. Congratulations.

San Francisco Legal Professionals Association's Civil Litigation Training Class will start in October, going through the first week of December. Please pass the brochure to anyone you know who might be interested.
